

SOS! Save Our Seabirds

LandSouth Construction has committed to Sponsor SOS, Inc. as our Summer Charity Event

Let's Make a Difference! Collect to Save the Seabirds

As of June 10, 2010, the US Fish and Wildlife Life Service had officially tallied 1,131 birds killed or injured by the BP Oil Spill, now known as the worst oil spill in US history. Thru July 30th, LandSouth Construction is teaming up with Save Our Seabirds, Inc. by collecting much needed supplies to assist in saving and rehabilitating the seabirds.

Check your garages, 2-4-1 deals, Home Depot & Lowes clearance isles for items needed to save the seabirds. In effort to maximize collection, the Team that collects the most wish list items by the Superintendent Meeting, July 30th, will receive a Prize! So let's go Teams: Bella, Integra Springs, Corp. Office Girls, Corp. Office Boys/ Palencia!

Save Our Seabirds, Inc.

Save Our Seabirds in St. Petersburg Fl. (formerly known as the Pinellas Seabird Rehabilitation Center) was founded in 1990; the facility has been awarded permits from the US Fish and Wildlife Service and the Florida Fish and Wildlife Conservation Commission. Save Our Seabirds, Inc. continues to guide efforts to rescue and rehabilitate hundreds of native and migratory birds each year. See the amazing pictures of the cranes with prosthetic legs and read more about Save Our Seabirds at www.saveourseabirds.org

We work with injured and disabled seabirds to rectify their misadventures with mankind.

There is nothing in which the birds differ more than man the way in which they can build yet leave a landscape as it was before.

~ Robert Lynd, Irish Essayist and Nationalist
