LANDSOUTH CONSTRUCTION WINS ABC EXCELLENCE IN CONSTRUCTION AWARD FOR INTEGRA SHORES AT DAYTONA

JACKSONVILLE BEACH, Fla. (Sept. 7, 2010) – [LandSouth Construction](http://www.landsouth.com), a general contractor specializing in multi-family developments throughout the Southeast, has received an Excellence in Construction award for its work on Integra Shores at Daytona apartment complex, which was developed by Integra Land Company of St. Mary's, Fla. The Excellence in Construction program, which has become one of the premier competitions in the building and construction industry, is sponsored by the Associated Builders and Contractors organization. The program recognizes outstanding construction projects around the nation.

“It is always a tremendous honor to have an industry association of peers recognize and award one of our projects,” said James Pyle, president and CEO of LandSouth Construction.

“The Excellence in Construction award is well-deserved by our outstanding team, and Integra Shores at Daytona is just one example of the quality projects that we continue to produce for our satisfied clients.”

LandSouth Construction completed work on Integra Shores at Daytona in 2008 and also won a Southeast Building Conference Grand AURORA Award for the project. The luxury-apartment community has received accolades for its stunning resident center, state-of-the-art fitness center, architecturally-detailed apartment homes and upscale landscaping.
