LANDSOUTH CONSTRUCTION ANNOUNCES MICHAEL TAYLOR AS DIRECTOR OF BUSINESS DEVELOPMENT

JACKSONVILLE BEACH, Florida – LandSouth Construction announces Michael Taylor has joined its team as director of business development and senior project manager. In his new role, Taylor oversees new business development and strategies, marketing, public relations and the day-to-day operations of field personnel and construction.

“Mike has more than 20 years experience in the industry and will be a vital part of our company’s future growth,” said James Pyle, president and CEO of LandSouth Construction, a Jacksonville-based general contractor specializing in multi-family construction.

Throughout his career, Taylor has served as an executive leader, project manager and general manager in the real estate and construction industries. Prior to joining LandSouth Construction, Taylor worked with several prestigious developers and homebuilders including

Hines, McCar Homes Inc., John Wieland Homes, Rubloff, Inc., and Nu-Tech Builders Inc. He has managed projects and transactions valued at more than \$750 million, including securing entitlements and permits for Palencia, a 1,450-acre master-planned community in St. Augustine.

Taylor received his bachelor's degree in marketing from Indiana University. He is the recipient of the celebrated John Wieland Homes President's Club Award and has served as a board member of the Northeast Florida Builders Association (NEFBA) since 1998. Taylor served as the local Sales and Marketing Council chairman for NEFBA in 2005, the same year the chapter was nationally recognized as Best Sales and Marketing Council in the country.

LandSouth Construction is the Southeast's premier general contractor specializing in multi-family construction. Founded in 1998, LandSouth Construction has completed more than 6,000 multi-family units in the Southeast. The company builds all product types including apartments, hotels, senior living, student and military housing, condominiums and townhomes. James Pyle, co-founder of LandSouth Construction, has built the company's success and reputation by constructing projects of the highest quality, aesthetic relevance and enduring value for its clients. The company transforms ideas into first-class communities by providing superior construction management services while building long-term relationships.

LandSouth Construction is headquartered in Jacksonville, Fla. More information about the company is available online at www.landsouth.com or by calling (904) 273-6004.
