LANDSOUTH CONSTRUCTION NAMED “BEST COMPANY TO WORK FOR” BY FLORIDA TREND MAGAZINE

JACKSONVILLE BEACH, Fla. (July 23, 2010) –[LandSouth Construction](http://www.landsouth.com) has been named one of the “Best Companies To Work For” by *Florida Trend Magazine*. LandSouth joins a prestigious list of 100 of the state’s finest businesses that have demonstrated workplace excellence.

“Companies that retain the best employees with strong workplace programs are frequently the very same companies that serve their clients exceptionally well,” said *Florida Trend* Publisher Andrew Corty. “It’s our pleasure to recognize these great companies and encourage others to join them in building Florida’s competitive advantage.”

Companies selected for the list underwent a two-part survey process. The first evaluated each company’s workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure employee satisfaction.

“Receiving an award based on feedback from our staff members is one of the most satisfying honors a company can receive,” said James Pyle, president and CEO of LandSouth Construction. “We have an outstanding group of employees, and we have always placed a priority on communication, teamwork and employee satisfaction. It is encouraging to be rewarded by our inclusion on *Florida Trend’s* list of Best Places To Work.”
